Description

Rare earthenware dinner service from La Bisbal (Catalonia), consisting of 6 dinner plates (approx. 25 cm) and a large matching central platter (approx. 30 cm), all hand-decorated by Costa Diaz, a Catalan ceramicist active in the 20th century. Each piece represents a bird in a stylized plant decoration, hand-painted in rich tones with gold highlights (branches, foliage, feathers). The central platter follows the same style, creating a beautiful decorative unity.
