Description

Beautiful 1900 vase with bronze mount By Paul Louchet. A very beautiful flowing glaze with shades of green and blue for these elegant vases. It is enhanced by a finely chiseled bronze foot decorated with acanthus leaves and floral bouquets. 3 small bronze holes, like a flower pick, enhance the body of the vase as well as the neck with the same decoration. The mixture of the 2 materials is very pretty and very balanced. The vase has the pastille signed "Paris Louchet ciseleur" 34 cm high, perfect condition, circa 1900. Very elegant vase, illustrious signature. Has a pair (see last photo), the buyer will be offered to obtain the other vase under the same conditions
