Description

Beautiful bronze medallion (Diameter: 27 cm), with brown patina decorated with a scene treated in the Antique style, in a bronze frame. The scene represents a woman presenting a child to Eros who holds a bow on a pedestal decorated with 2 hearts. Beautiful quality of chiseling, interesting contrast between the two parts: dark patina and golden patina of the bronze. A small lack on the ribbon which decorates the frame in the left part. The medallion is late 18th or very early 19th century, the frame is late 19th century. Delivery in France by Colissimo with tracking: EUR40
