

Elevation Of An Egyptian Temple By Georges Luquiens, Architect

385 EUR

Signature : Georges Luquiens

Period : 20th century

Condition : Quelques manques

Material : Paper

Width : 87

Height : 74

Description

Large wash drawing representing the elevation of an Egyptian temple by Georges Luquiens (1925-?) while he was a student in the architecture studio of Perret and Remondet at the École Nationale Supérieure des Beaux Arts in Paris in the late 1940s. The drawing is framed in a more recent frame and has some visible scratches in the photographs.
