

Trapani Coral Brooch From The Late 19th Century

480 EUR

Period : 19th century

Condition : Très bon état

Material : Coral

Length : 1. 7 cm

Width : 1. 4,2 cm

Description

An elegant Trapani coral brooch from the late 19th century. It features a floral bouquet of several hand-carved coral pieces, individually attached to an oval base made entirely of gilded copper. The flowers and foliage are attached in a layered arrangement to create a bouquet, a typical workmanship of Sicilian coral masters of the time.
PERIOD: Late 19th century-early 20th century
DIMENSIONS: L. 7 cm x W. 4.2 cm
CONDITION: Excellent condition
