900 EUR

Signature : Ecole Française du XIXe siècle

Period : 19th century

Condition : Très bon état

Material : Gouache

Length : 20.5 cm

Width : 24.5 cm

Description

Very beautiful pair of 19th century gouaches depicting pastoral scenes. The artist depicted landscapes animated by figures, shepherds and animals, cows and sheep in a bright countryside environment with lush vegetation. These gouaches are very fresh and the perspectives are particularly successful. They have a more recent mat and a beautiful golden frame, which makes them very harmonious. The whole is very decorative! Dimensions of each frame: 34 x 39 cm
