### Description

Here is a more than pleasant work, in fact it represents a naked woman probably posing for the painter that we see in the background. We see a woman in costume who is also probably posing, another is in typical 1930s bathing suit. The work is full of emotion, very vivid in color. We have not deciphered the signature, but regardless the quality is there. The work is high in color, with material, probably done with a knife on one part. There is a beautiful atmosphere. The geometric construction is interesting. The work is uncleaned, unrestored, we have voluntarily left it like that. Note small lacks of paint in places, wear and friction of the canvas, nothing serious, but we wish to draw the attention of the most picky to these small defects. For the condition, please detail the photos. The photos are an integral part
