Description

A round box for sweets or other... In patinated brass braids... A brown patina without excess... With two plates as a finish... So the one on top with an added decoration on a black lacquer... A lot of work for this box... The lid is without hinge... It fits into the lower part in a smaller hoop... From JAPAN... From the 1900s... In very good condition, with some small wear from use... And dirt... Of course it is without problem (see photos)... A pretty model that I had not yet encountered... Weight ... 222 gr
