Description

Magnificent bronze sculpture by the sculptor Yves Lohé born in 1947 in the north of France. He studied with Abel Maillard in 1972 called the master of wrought iron in Pigalle. And five years later he presented his works at the Salon des Independants. Here is a very beautiful creation of a violinist and his instrument in full musical movement! Very pretty matte and shiny patina. Signed. In very good condition! Quite heavy with good stability! Dimensions of 38.5 cm high by 33 cm wide and 14.5 cm in diameter. Visually very pretty bronze! And of beautiful artistic quality!
