Description

double-light lamp, composed of an elegant porcelain vase hand-decorated with court scenes in the style of imperial China (literate women, plum tree in bloom, refined furniture), mounted on a carved wooden base. The major originality of this piece lies in its pleated silk lampshade, also hand-painted inside: a traditional Chinese landscape scene (mountains, pavilions, horseman) is subtly revealed when the lamp is turned on, creating a unique and poetic atmosphere. Rare decorative piece, of beautiful quality, in very good working order. Do not hesitate to contact us in order to buy with full knowledge.
