### Description

A fine ring in 18 carat white gold...Engagement or other...!With 8 diamonds surrounding a larger one in the center...From the years 1809-1819...Controlled with the rooster hallmark...The model is sober...It could even be from the 1930s...So classic...Jewelry from a FRENCH province...Finger size 49...I think there is a way to size up to 2 half sizes...And I think the diamonds are original...In good condition, just an old junction from a size up...Weight 1 gr 1
