

## Pyrogenic Pocket Matchbox Silver Metal Cloisonné Enamel

120 EUR

Period : 19th century

Condition : Bon état

Material : Enamel

Width : 2.9 cm

Height : 5.8 cm

### Description

In a very rococo cloisonné enamel style, here is a 19th century silver-plated pocket matchbox pyrogen, hinged swing lid, the scraper is at the bottom. If the shape of this pocket pyrogen is quite classic, it is different for this enamel creation which is rarer. Shipping in France and internationally, contact me for terms and conditions
