Description

Large oil on canvas signed Rolf Kammann, depicting a fantastical and narrative scene: an anthropomorphic cricket playing the violin in front of a group of five bearded elves, attentive, installed at the edge of a shore, at sunset. The whole gives off a folktale atmosphere, with particular attention paid to expressions, postures and light. Unusual and expressive painting, probably created around 1950, in a naive and imaginary style close to the illustration of Germanic or Central European tradition. The molded wooden frame with original marie-louise rose accentuates the decorative aspect of this unusual work. Artist: Rolf Kammann (signature lower right) Technique: Oil on canvas Period: Around 1950 Framing: Original wooden frame Dimensions: On view: 130 × 76 cm Frame: 155 ×
