Description

This oil-on-wood portrait depicts a man with a thick, dark beard and mustache.The color palette is dominated by dark, earthy tones, with shades of brown and black for the clothes and hair, while the face features lighter, pinkish tones to highlight the skin. The background is neutral and nuanced, a dark brown, which highlights the sitter's figure.The panel on which it is painted has a canvas on the back from an older restoration.The dark wood frame is richly carved with a leaf and scroll motif that repeats along all sides, giving the painting an elegant and decorative look typical of the period.Minor losses, as shown in the photos.Second half of the 19th century.Dimensions without frame:52 x 37 cmI'm also on Instagram: "mercantedarteroma"
