Description

Unique bronze sculpture of a centaur, Italy, 20th century
Elegant bronze sculpture of a centaur, probably made in Italy in the 20th century. This piece appears to be a rare, even rejected cast, with traces of incomplete casting or mold imperfection, which reinforces its singular and unique character. Its partially abstract form enhances its sculptural interest, blending mythology and artistic experimentation. Its expressive and dynamic pose makes it a fascinating decorative object for collectors of classic or unique bronzes.
Dimensions: Height: 60 cm
Width: 40 cm
Depth: 15 cm
Condition: Good overall condition. Visible casting irregularities, probably original, contributing to its unique character. Well-preserved patina.
