Life-size Bronze Elephant Sculpture, Italian Foundry, 20th Century

16 450 EUR

Period : 20th century

Condition : Très bon état

Material : Bronze

Description

Spectacular life-size bronze sculpture of an elephant, cast in Naples, Italy, in the 20th century. This monumental piece exhibits exceptional quality and realism, with intricate surface detail capturing the animal's majestic presence and gentle character. Cast using the traditional lost-wax method, it reflects the high standards of Italian foundry. Two different models are available, each slightly different in pose and expression. This listing is for a single elephant sculpture. Please inquire about availability or to view both models. Ideal for large gardens, estates, public spaces, or as a centerpiece for a private collection. Dimensions (per elephant): Length: 320 cm Width: 120 cm Height: 210 cm Condition: Excellent condition. Light wear consistent with age. Structurally
