Description

An extraordinary monumental bronze sculpture depicting the iconic figure of Laocoön and his sons, inspired by the classical Hellenistic masterpiece. Cast in Italy during the 1950s, this imposing work captures the dramatic tension and anatomical precision of the original, with remarkable detail and expressive power. Standing over 2 meters tall, the sculpture is finely executed in patinated bronze and mounted on an integral base. Though shown with surface dust from outdoor exposure in the photos, the piece is in very good overall condition and can be professionally cleaned if desired. A striking and timeless work of art, ideal for grand interiors, gardens, courtyards, or as a centerpiece in institutional or private collections. Dimensions: Height: 84.6 in (215
