Description

Description: Cradle chest in bent beechwood, unmarked but attributable to the Thonet company based on models listed in period catalogs. The piece displays the typical features of Thonet style: fluid lines, harmonious curves, and exceptionally refined bentwood craftsmanship.
The cradle comes complete with its canopy rod, also in beechwood, ending in a scroll-shaped tip.Condition: The piece has never undergone restoration and remains in its original period-used condition--an exceptional state of preservation, having miraculously escaped woodworm damage, which is common in beechwood. The structure is stable, and the original patina is perfectly preserved.Dimensions:Maximum height: 200 cmLength: 142 cmWidth: 68 cmContainer height: 50 cmUpper scroll width: 34 cmBase width: 65
