680 EUR

Period : 18th century

Condition : Très bon état

Width : 48,5 cm

Height : total 98 cm assise 48,5cm

Depth : 48 cm

### Description

Superb and elegant rustic chair from the 18th century in walnut. It rests on 4 legs, the 2 front ones of which are turned. They are connected at their base by turned and fretted crosspieces for the upper front one. The slightly inclined backrest is composed of vertically positioned balusters and a high fretted crosspiece carved with motifs characteristic of Basque decorations. Quality work in very good condition.
