Description

Terracotta sculpture by Raymond Glorie. Raymond Glorie was a Belgian sculptor, medalist, and visual artist, born on May 2, 1918, in Brussels and died on July 10, 2015, in Uccle. His style is a certain classicism, highly constructed, rhythmic, and rigorously simplified. The human figure that inspires him is not an end in itself but rather an opportunity for self-expression: the line is important.
