Description

Large vase with a handle in chiseled tinned copper, originating from Iran, Persia, from the 19th century under the Kadjar dynasty in very good condition. The old tinning gives a rendering close to silver plating. The deep chiseling represents many polylobed medallions decorated with hares and gazelles. Numerous arabesque friezes embellish the whole. A beautiful fine and flowery Greek encircles the top of the object, a frieze encircles the bottom. Two very thick bronze arrowhead attachments support the handle, also in bronze. Note the narrowing of the body in the upper part which gives a real cachet to this quality piece. Dimensions: Total height 30 cm (12"), with the handle, total width: 22 cm - (9") weight: 1616gr FREE SHIPPING FOR FRANCE 0EUR / EUROPE 25EUR / WORLD
