Description

Pair of Italian mid-century curved armchairs, ebony-offwhite bouclé fabric, 1950s Charming armchairs with a clean design from the 1950s. The armrests are still slightly taut, and the backrest, with its decorative hand loop, emphasizes the lightness of the design. The tapered legs have been cleaned and waxed. The armchairs are not only upholstered in a high-quality Larsen fabric in ebony and off-white, but have also been completely reupholstered. All fabrics have been removed as they are unusable.
