Description

Rare and beautiful bulb lamp in fine Canton porcelain with floral motif from the first half of the 19th century, this beautiful piece richly and finely decorated with magnificent blooming flowers in soft pastel colors is ornamental. Mounted as a lamp with reliable electrification with double bulbs on a bronze axis and dark stained carved wooden base with lovely movement. A beautiful element for the living room because the richness and prowess of the motif, the beautiful relief glaze, the finesse and stylized flowers, all give this piece a feeling of quality and beauty, a beautiful important lamp in perfect condition decorated with its pagoda lampshade in silk with braids which suits it wonderfully ...
