Description

Linen sheet from a monogrammed trousseau CM (late 19th century). Beautiful quality of fairly fluid textile, and white embroidery with marked relief. Antique linen in off-white tone, noticeably grayed, washed and ironed. Condition: Note in places a difference in tone as well as slight folding marks linked to a long stay in the wardrobe. These details are quite discreet and have considerably diminished in the first wash. ? Buy this item on our website? Additional informations and photos? Online payments ? Shipping conditions ?
