

Malachite Chess Set, Mid-20th Century

1 650 EUR

Period : 20th century

Condition : Bon état

Material : Other

Diameter : 51

Height : 8

Description

Fantastic mid-20th century chess set. Original from Congo, Africa. Fully inlaid with malachite and white marble. The chessboard frames are made of copper. We bought this piece from a Belgian who spent 25 years in Congo and brought it back to Europe. Generally in good condition. Some minor signs of use here and there. 2 small chips on the piece itself. Dimensions: 51ø x 8H
