Description

Large Lalique crystal bowl, "China Mood" model. Bowl in perfect condition as it has never been used and is presented in its original box. It is an invitation to travel to the heart of Asia. It evokes immemorial times while following the lines of a timeless modernity. Its outline recalls that of precious fans while the contrast of the satin-finished and repolished crystal highlights the tangled patterns. Waves, clouds or rice fields, the striations shaped by the artist have the genius of the sketched, of the evoked, giving free rein to the imagination. Through the pure lines, the artist crystallizes a movement of soothing regularity, fitting into all interiors with balance and harmony. LALIQUE Creation - 2008DimensionsDiameter 40cmThickness 5cm
