Description

Ile de France chest of drawers also known as Parisian chest of drawers from the mid-18th century, curved in walnut. A beautiful curved chest of drawers opening with 5 drawers on the front. It therefore has a curved front. The two upper drawers open with pull keys and conceal a smaller secret drawer in the middle. The two lower drawers open with bronze pull handles with lock and keys. The drawers have been revised and slide perfectly. The bronzes are original and only the keyhole on the secret drawer has been changed. The bronzes have been cleaned. The locks and keys work. The drawers are carved with gendarme hats and quatrefoil motifs in the middle. The legs are straight, always in the Louis XIV style. The lower crosspiece is animated. The sides are carved with flat-banded panels with a
