

Fragments Of Painted Glass Windows - 16th Century

1 700 EUR

Period : 16th century

Condition : Bon état

Material : Glass

Width : 19

Height : 23

Description

Fragments of 16th-century stained-glass windows. There are three glass panels in total, in which fragments of 16th-century stained-glass windows were later joined together using the stained-glass technique, where glass fragments are joined together with lead. The figures are religious in nature. Measurements: 19x23 cm (two stained-glass windows), 16x23 cm (one stained-glass window).
