Description

Oblong dish in Rouen earthenware, 18th century - The attribution to a Rouen earthenware factory is a conclusion drawn from my modest analysis and does not constitute an infallible expertise. The dish is in very good condition (for its age), fairly reasonable wear on the edges, it sounds very good. L 45 x W 32 x H 4.5. Careful shipping, guaranteed. For France, Chronopost shop to shop shipping: 10 Euros Available for immediate purchase with Paypal.
