600 EUR

Period : 20th century

Condition : Restauré par notre atelier

Material : Metal

Width : 32

Height : 55

Depth : 19

Description

Pair of three-light wall sconces featuring wooden faux candles, designed for E14 socket bulbs. The structure is crafted from metal, combining brass and gold-patinated iron, offering a refined and luminous appearance. The sconces are adorned with transparent glass flowers--lighter for the open blooms and slightly grey for the buds--and enriched with crystal drops and pendants, adding sparkle and sophistication to the ensemble. The electrical system has been entirely redone, ensuring perfect functionality. The pieces are in excellent condition, having been recently restored by skilled craftsman,
