Description

Oak swivel captain's chair -- Timeless elegance and vintage comfort???? A seat that tells a storyThis captain's chair, carved from solid oak with warm tones, looks like it came straight out of a cozy office or a period living room. Its swivel structure offers both comfort and practicality, while its curved silhouette brings a touch of prestige to your interior.? A harmonious marriage of robustness and refinementThe seat and backrest, upholstered in a textured garnet fabric, blend perfectly with the golden patina of the wood. The carefully placed upholstery nails highlight the soft curves of the chair and recall the finishes of old pieces made by master craftsmen.???? Comfort designed to lastIts generous seat (diameter: 50 cm) and its ideal height (47 cm) allow you to sit there for hours,

whether to work, read or enjoy a moment of relaxation. The stable cross base, typical of captain's chairs, offers perfect balance and fluid movement.???? A centerpiece for your decorInstalled in an office, a library or even a living room, it attracts the eye and embodies that vintage charm that is no longer found in contemporary furniture. Just place your hand on it to feel the reassuring solidity of the oak and the softness of the garnet fabric.????
