### Description

This cameo has a mount probably in silver. We note, for the most picky, an impact on the cheek and another at the bottom in the hair, small scratches of use. However, this cameo remains in a good general condition. The cameo is a jewel whose origins date back to the time of Greece and Ancient Rome. The cameo represents a real miniature work of art, full of history, which testifies to a craftsmanship as well as a very ancient know-how. Our photos allow you to appreciate the quality of the object. For the condition, please detail the photos. Do not hesitate to zoom. The photos are an integral part of the description. Dimensions: Height (with attachment): 4.5 cm Pendant height: 3.3 cm Width: 2.4 cm Depth: 1 cm M2459
