Description

Title: Enrico Paulucci - Marina, mixed media on paper applied to panel Description: Original work by Enrico Paulucci (Genoa, 1901 - Turin, 1999), a prominent Italian painter and set designer, one of the founders of the Turin-based Gruppo dei Sei. The painting depicts a lively marina, with boats and port details rendered with rapid strokes and bright colors, typical of the artist's mature style, where Post-Impressionist and Fauvist influences blend with a clean, dynamic style. Created with mixed media on paper and then applied to panel, the work highlights Paulucci's ability to convey energy and light with a few bold strokes. Technique: Mixed media on paper mounted on a panel Painting dimensions: 55 × 40 cm Frame dimensions: 77 × 62 cm Signature: Signed lower right Period: Second half of the
