Description

Crystal box with crystal-ceramic, portrait of Napoleon I - Empire Style - Baccarat - D. 6.5 cm
Description Small round box in cut crystal, decorated on the lid with a crystal-ceramic medallion representing the profile of Napoleon I. The crystal work has a geometric decoration cut on the edge, framing the portrait in slight relief. Circular frame in gilded brass. This piece, close to the productions of the Baccarat factory at the beginning of the 19th century, illustrates the taste of the Empire period for official portraits and refined decorative objects. Dimensions Diameter: 6.5 cm Height: 2 cm Good general condition, with small traces of use. The crystal remains clear and the portrait clearly legible. The details of the face are detailed. Delivery EU 14 euros. Napoleon I crystal box Baccarat Empire
