Description

Pretty little vintage bronze from the 50s-60s, hand-cast, unsigned. Depicting a woman, or bather, naked and lying in a relaxed position, on her stomach leaning on her crossed arms.

Relatively fine details, she is cute. Pretty detailed face, hair tied in a bun with strands at the front, small feet. Brown bronze patina. 15cm long, 5-5.5cm max depth, 5.5-6cm max height. Good condition, clean patina, some scratches and wear under the belly (since she is resting on it) small white deposits in the crevices. The cast at the feet and the sculpting work is a little rough, with some irregularities typical of handcrafted work. Pretty little collector's chick. Approximately 245-250gr. In its own juice.
