### Description

Pretty little vintage bronze from the 50s-60s, decorative hand-cast in small series, unsigned. Depicting a woman, or bather, naked and lying in a relaxed position. Relatively fine details, she is cute. Pretty detailed face, hair tied in a bun, small feet, arms crossed behind the neck. Brown bronze patina. 15 cm long, 5-5.5 cm max depth, 5.5 cm max height at the elbow. Good condition, with wear to the patina in places forming lighter areas, especially visible at the edges (tip of the nose, elbow, etc.), which brings pretty golden reflections and a vintage charm. Some scratches and small white deposits in the crevices of the legs. The cast at the feet and wrists is not very fine, with some irregularities typical of artisanal work. However, it remains very pretty.

Approximately 200-210 g. In its own juice.
