Description

Numbered limited edition / 2000 pieces
Elegant circular plate in glass paste tinted a translucent pink, delicately enhanced with a raised gold decoration in the center. The inscription "This is not a plate", integrated into the composition, embodies the provocative and poetic spirit of Salvador Dalí, a major figure of surrealism. Through this visual play on words, the artist diverts the everyday object to create a work in its own right, mixing humor and reflection on representation. Produced by Daum France, a prestigious crystal manufacturer founded in 1878 and world-renowned for its mastery of glass paste, this piece comes from a limited edition of 2000 pieces. The Dalí signature appears in the mass on the front; on the reverse, the Daum stamp - Made in France and handwritten
