Description

Elegant mahogany and mahogany veneer serving trolley featuring three harmoniously proportioned tiers. Each shelf offers generous space, perfect for displaying decorative objects, tableware, or books, while maintaining a light and airy silhouette. Note that the top shelf is edged with a rim on the bottom and sides. The finely crafted uprights are highlighted with a delicate scrollwork design, a subtle homage to neoclassical aesthetics. They rise gracefully to end in a spade shape, adding a touch of character to the ensemble. This rare piece resting on a solid base embodies the sober elegance of period furniture, and will naturally find its place in a classic or contemporary interior.*****Period: 2nd part of the 19th centuryExcellent condition after restoration in our cabinetmaking
