Description

Beautiful Art Deco solifleur vase by Marcel Goupy, called Perruches, made between 1918 and 1925. This crystal solifleur (vase for one flower) is simply stunning. Its rounded body features three medallions, each depicting a different parakeet among the green enamel (these birds symbolize happiness in love, joy, freedom, and communication). The refinement of the painting illustrates Marcel Goupy's fame as a glass artist. This vase has a magnificent form, with a rounded body that gradually ends in a narrow neck. It is painted in dark red, green, purple, pink, and white enamel.Signed M.
