Description

This oil on cardboard is a Barbizon oil from the end of the 19th century, nicely framed in a gilded stucco frame unfortunately very damaged. It does not bear a signature. The touch is good we are here in an almost impressionist touch, the colors and the choice of panels are interesting. The work is a little faded with rubbing and scratches on the top. We sell it unrestored, in its juice, natural. Sold uncleaned as found. For the condition, please detail the photos. Do not hesitate to zoom. The photos are an integral part of the description.
