Description

Metal Desk Jet Model - 1950s/1960s
Elegant desk model depicting a jet aircraft in flight, crafted entirely of chromed metal and mounted on a turned wooden base. The sculpture depicts a 1950s-style jet aircraft, with aerodynamic lines typical of post-war industrial design. The curved metal stand simulates the plane's flight path, lending dynamism and a sense of movement to the composition.
A charming decorative object, ideal for collectors of aviation memorabilia or for vintage, industrial, or mid-century modern decor.

Period: ca. 1950-1960
Material: Chromed metal and wood
Condition: Good, with minor signs of wear consistent with age
