### Description

Rare, elegant antique gilt bronze 2-flame wall sconce candlestick, 19th century, Haute Epoque, Rococo, Louis XIII style. Central wall attachment, location for 3 screws or nails, decorated in its center with a floral ornament. Two ascending arms in an arc, square stems, decorated with sober grooves, collars with fleur-de-lis decorations at the tops, topped with sockets with square bases called "financial" rare on a wall model, adorned with square cups decorated with reliefs, fleur-de-lis, flowers, dolphins (?) crowns... Original and chic. 17cm max height, approximately 21cm max depth for 28cm max width. Very good general condition, some signs of oxidation, normal use for its age, the branches are perhaps a little displaced, the right cup turns a little but it is fixed.
