Description

Paul Strecker (1898-1950): "Canoeing on the River", oil on canvas 41 X 28 cm, mounted in an old frame with faded silver plating 54 X 40 cm which suits it perfectly (wear and small accidents). Circa 1930, small restoration not visible from the front. This work with its perfect composition with this descent towards the river where many characters are layered in indulging in the pleasures of summer, swimming, cycling and walking is produced in an extraordinary cold palette warmed by yellow, pink and red.
