Description

Elegant and practical modular bookcase with screwed beech columns covered with rattan. This beautiful and functional creation from the 1960s in very good condition is a "trendy" and solid piece of furniture with a practicality and elegance typical of avant-garde Parisian decorator interiors. The shelves pinched between the columns which screw with their large screw thread turned in the mass (beech), solid, stable and functional the very clean bordered blond sycamore tops, it rests on six feet. All surrounded by a beautiful rattan mounted in a tight serpentine on its support. Generous in size and bright with a pretty blond tint, this pretty piece of furniture will delight with its elegance and practicality. Dismountable by simply screwing the uprights screwed directly into each other, the modular
