

## Central Island Craft Furniture

1 500 EUR

Period : 20th century

Condition : Très bon état

Length : 193cl

Width : 75cm

Height : 91cm

### Description

Double-sided craft furniture forming a central island. The fronts are formed by half of a chest of drawers with three drawers with brass shell pull handles and a sideboard opening with two doors with shelves on racks. The sides are paneled, the whole resting on plinths, the oak top is covered with zinc. Dating from the 40s/50s, this piece of furniture comes from a restaurant. The chest of drawers measures 84cm wide / the sideboard part: 84cm
