Description

Large Flemish Fair Scene 18th Century. Large oil on canvas from the 18th century relined in the 19th century depicting a fair scene animated by numerous characters. Northern school in the spirit of the Flemish scenes of the high period. A very beautiful canvas with a scratch visible in the photos, a canvas with beautiful colors that deserves to be lit because the varnish has oxidized over time. A molded frame in gilded wood from the 19th century fortunately highlights the canvas. A great classic, not very common in these dimensions. Dimensions: 86 cm long by 65 cm high and 98 cm long by 78 cm high with the frame. We deliver and ship all over the world, please contact us for a precise quote.
