Pair Of Louis XVI Candlesticks

180 EUR

Period : 18th century

Condition : Bon état

Material : Bronze

Diameter : 14

Height : 42

Description

Pair of Louis XVI style and period candlesticks, late 18th century, in bronze (originally silver plated as can be seen on the underside of the feet but time has erased the outer silver layer). They are very elegant, finely highlighted with small pearls. They can be used as candlesticks or electrified lamps (sold without lampshade). They have not undergone any modification. Height without lampshade 28cm, diameter of the foot 14cm. Height with lampshade 42cm. Shipping in France by Colissimo (20EUR) or Mondial Relay to a relay point (7.50EUR).
