

Provocative Devil: Vienna Bronze

Description

Amusing bronze from Vienna in the guise of a mischievous devil, circa 1900. The character with goatee horns and a goatee crawls to thumb his nose at anyone who wants to look at him... A little naughty, others would say: erotic. Made of cast bronze painted cold in red and black, scattered wear to the paint. Note: a beautiful collector's item. Delivery: EUR15 for mainland France.
