

Mathurin Moreau: Very Large Subject In Biscuit / The Young Girl With The Jug

520 EUR

Signature : Mathurin Moreau

Period : 19th century

Condition : Bon état

Material : Biscuit

Height : 66

Description

Mathurin Moreau is a renowned French sculptor, brother of the equally famous Hippolyte and Auguste. He is renowned for his decorative sculptures and his depictions of feminine grace and delicacy. "The Girl with a Jug" depicts a young woman filling a glass of water, wearing a headdress and a long dress. This biscuit by Mathurin Moreau will captivate you with its imposing size, as well as its beauty and finesse.
