# Jam Tray With Two Porcelain Pots Painted With Flower Seedlings

250 EUR

Period : 20th century

Condition : Parfait état

Material : Porcelain

Length : 25 cm

Depth : 15 cm

## Description

The originality of this jam pot is its design where the tray and the pots are integral and therefore cannot be removed. Made of porcelain painted with flower seeds in a Louis XVI style, the lids have apple-shaped handles and the edges are enhanced with a golden border. A charming model that does not bear any mark or signature dating from the first half of the 20th century. Shipping in France and internationally, contact me for terms and conditions
